

THE BILLBOARD

NEWSLETTER OF THE ROUTE 66 RODDERS

January 2010

We hope that everyone had a Merry Christmas and a safe New Year!

For all who attended the Christmas party at Harla Mays we were treated with a visit from Mr. & Mrs. Santa Claus - club members Ralph and Elizabeth Baker from Datil, NM. There was great food and everyone enjoyed the gift exchange. We also collected quite a large stack of canned goods and items to be donated to the Barrett House once again. Thank you everyone for helping out again this year.

Super Nationals are fast approaching - Jan 29th - 31st. The date was changed this year so that the event would not be held on Super Bowl weekend. With the change of date we were not sure that we would have enough cars to have a display this year (some members will be attending the Grand National Roadster show in California that same weekend) but once again our great club will be participating with a display and hosting the door duty all three days. There is a schedule in this newsletter - at this time we have only 1 slot that still needs to be filled - if you

can help out please contact JJ as soon as possible. Thanks for all of you who can help out with the door duty and for those who will be entering their cars in the display.

It's that time again to let John Lanoue know if you want to be in the NSRA Fellow Pages - there was a sign up sheet at the January meeting. If you want to be listed in this year's book please contact John.

Jack Logan discussed the Swap Meet and things that will need to be handled. Again if you would like to help with the preliminary items please contact Jack and he will gladly take your help.

Thanks to all who showed up on December 13th for our median clean up day. It sounded like everyone had a great time afterwards for lunch.

For those members who ordered club calendars they came in the day after the meeting. Pam will have them with her at Jersey Jacks on Sunday Jan 17th. The cost is \$13.00. She ordered 5 extra so if you want one please let her know. She will also have some 8x10 club pictures for sale at \$2.00 each.
