

THE BILLBOARD

NEWSLETTER OF THE ROUTE 66 RODDERS

NOVEMBER 2009

Halloween Party

The Halloween Party on October 21st was well attended at Harla Mays and everyone had a great time. During the Halloween party the board members decided that everyone was having such a great time that we should have the Christmas party here.

Christmas Party

Our annual Christmas Party will be held at Harla Mays on December 5th at 2:00 pm. This will be a buffet which will include brisket, chicken, 2 sides and desserts. The club will be paying for this event and we will need to give Harla Mays a head count - please RSVP to a board member. We will meet at the PIT at 1:00 PM and leave there at 1:15 to cruise as a group. Please drive your rods. We will also be collecting canned foods for our food drive. As a group we have always done a great job of helping out during this time of the year. It was also brought up at the last business meeting to have a "White Elephant" gift exchange. There was a limit set of \$10.00 per gift. If you want to participate you will need to bring a gift - you can bring one as a couple or individual. Please mark the gift - female, male or unisex.

Route 66 Rodder Club Photo Day

On Sunday November 1st we had a beautiful day for pictures. There were 41 cars that participated in the club photo. A large group of members left from the PIT to caravan down to the home of Andi and Frank Brown. We put on quite a car show as we were able to travel as a group almost all the way. Again everyone out did themselves on the dishes that were brought. I believe there were at least 10 desserts - and every one of them looked fantastic. Once everyone had arrived

JJ took on the task of getting the cars in rows (with Pam's help from the man lift). After some moving of cars and the trailer with the lift, Pam was able to get some pictures taken. There were pictures taken of just cars and then with the drivers. Then JJ started dividing up the cars into smaller groups so that Pam could take some additional pictures. In all Pam took quite a few pictures and brought a CD and played them through her laptop at the November meeting. Pam has looked into the price of printing up the calendars through Costco. They will run \$16.00 - \$17.00 per calendar. When ordering through Costco the calendars would have to be paid in advance and shipped to one person for distribution. If anyone knows of someone else who can print up a quality calendar please let Pam know.

Swap Meet

The swap meet will be on May 2nd 2010. We have already signed the contract to again have it in Los Lunas. Bud Hennessy will be out of town during this time and has asked that someone take over the event for next year. Please be thinking about if you can help out on the committee. As it works out there will be several members that usually work the gate that will be out of town so we will need to have some additional help there.

New Mexico Rods & Rides Magazine

There is a new local magazine called Rods & Rides. If you have something that you would like to be published in the magazine you can send all articles, photos, press releases, etc. in an electronic file to nmrodsandrives@aol.com for consideration by the editor. In the first issue the 21st Route 66 Rodders Swap Meet was featured with several great photos and a very nice article. One of the places you can pick a copy up is NAPA Auto Parts.
