

# THE BILLBOARD

## NEWSLETTER OF THE ROUTE 66 RODDERS

### OCTOBER 2009

#### Halloween Party

The board members thought it would be a great idea to have a "noon day" party for Halloween, Saturday October 31st so that everyone would be able to attend other functions that evening. The club will be meeting at Harla Mays Fat Boy Grill in Belen- map is included in newsletter. The club will be paying for lunch for all members that attend. We have reservations for 30 - so please let a board member know if you plan on attending.

#### Route 66 Rodder Club Photo Day

Also it was decided that the Route 66 Rodders club photo will be taken on Sunday November 1st at Frank and Andi Browns house. This event will be a pot luck with the club furnishing meat and drinks and we would like everyone to gather by 10:30 so that we can start lining up the cars for the photo. If you would like to caravan please meet at the UNM Football Stadium at 9:30 (map is also included in newsletter). Let's hope that we have good weather that day - JJ please do your famous dance to the man upstairs. It was also brought up that a club calendar would be a great idea. Photos will be taken of smaller groups of cars. Pam will look into putting a calendar together and will have more details at the next meeting.

#### Christmas Party

The board members are trying to find a location for our Christmas party. With John and Johnnie Hamm moving and Mark & Anne Wilson having their house up for sale, we have lost our 2 favorite places. The board looked into Post 49 for December 11<sup>th</sup> and the Post wants to charge us \$400.00 for a room. We would be

able to bring in our own food but the members attending the October business meeting thought this was a little steep for a room rental. Jamie thought that maybe we could have the Christmas party at the December business meeting - JJ was going to check with the owners to see if that is possible. If anyone has other suggestions please let one of the board members know as soon as possible.

### Sept 13<sup>th</sup> - Route 66 Median Cleanup

Thank you to those who attended the cleanup day on Sunday September 13<sup>th</sup> at 10:00. There were about 12 members who showed up.

### Sept 20<sup>th</sup> - Route 66 Rodders Annual Founders Day Picnic

JJ did his magic again and we had a gorgeous day for the Founders Day Picnic. We saw members there that we haven't seen all year. Again the ladies out did themselves with all of the great food. If anyone took pictures please be sure to send them to Robin so that she can put on the website.

Sid and Jackie came to the October business meeting - although they were early as we had changed the meeting back to 7:00. From what we hear Sid is progressing nicely in his recovery from triple by-pass surgery. Sid we hope to see you back at a meeting soon.

Robin has taken over the website - [www.theroute66rodders.com](http://www.theroute66rodders.com)

Let folks know that they can send photos anytime and I will get them posted to the site. In addition, any club member with cars or car parts for sale can let me know and I will post in the classified section of the website. Also any upcoming events that members should know about.

I made some changes to the website...let me know what you think.
